# BORDEAUX SCIENCES AGRO

Using its Education, Research and Technology transfer, knowhow to solve tomorrow's agronomic, food and environmental needs.

As a public institution under the authority of the French Ministry of Agriculture, Bordeaux Sciences Agro collaborates with various institutions in France and abroad through a network of higher agricultural education and research institutes, and has developed close partnerships with the university and scientific campuses in Bordeaux (the University of Bordeaux, IPB, INRA, CNRS, INSERM, IRSTEA, etc.).

For 50 years, Bordeaux Sciences Agro has been able to forge privileged relationships with wine companies. These ties supplement the courses taught by the school by helping increase the professionalism of the curriculum and by fostering the future professional careers of the graduates by ensuring that the courses are suited to the real world.
